

WHO WE ARE

Kaleidoscope is a child welfare agency serving Chicago youth and families healing from abuse and neglect. Our mission is to enhance child and family wellbeing by delivering innovative, individualized care and strengthening community connections. Kaleidoscope provides assessment, case management, counseling, specialized foster care, independent living preparation and other services for youth and families. We believe that our kids need adults' support, patience, and guidance to keep them safe and help them lead happy, successful lives.

WHY A HOLIDAY GIFT DRIVE

Our families face multiple challenges that make it hard to provide gifts for their kids. Each holiday season, donors and corporate supporters bring joy to our families by fulfilling wish lists for 300 kids. Wish lists are capped at \$75, and we strive to get the exact gifts on each list.

HOW TO GET INVOLVED

Because of the confidential nature of our work, Kaleidoscope's team reviews kids' wish lists and does the shopping for each family. But we rely on generous individuals and workplaces to volunteer as the elves who wrap these gifts! Review the options below to see how your team wishes to participate and be recognized.
